Good Morning:

I apologize to the contracting staff for not submitting my Task Order Evaluations by the deadline. Mark Pane did send out two reminders. I was properly notified. I actually started the documents but never completed. I have been at NFB Site with very little non-site time in the office. It can be overwhelming at times to keep up with the various requests. This is not an excuse but just explanation of my unintended delay in completing the forms.

Attached are both NFB and HTC Evaluation forms. Please let me know if there is anything else required.

Merry Christmas and Happy Holidays to everyone!!

Regards,
